

Professor László Lovász
President of the Hungarian Academy of Sciences

26th April 2019

Dear Professor Lovász

I am writing to you as Chair of the UK Social Policy Association. The UK Social Policy Association is a learned society and charity. Our purpose is to advance the teaching, research, and dissemination of knowledge in the field of social policy, and to represent the interests of our members.

As such, the Social Policy Association is keen to support colleagues in the UK and other countries who share our commitments to advancing research and scholarship in social policy, and to the education of future generations of scholars. We believe this requires open opportunities, a focus on academic merit, and independent peer review. I am therefore writing to offer support to the Hungarian Academy of Sciences in your work to support academic integrity.

Yours sincerely
